Dear Cathie:

The American Trakehner Association is holding its annual convention at Tryon International Equestrian Center in Mill Spring, NC on Nov. 11-12. I encourage you to attend the convention and participate in the events, although you will not be permitted to vote at the member meeting because your membership has expired. Consider renewing your membership now so the expiration date will be 12/1/18.

This is an audit of the ATA-registered horses that you are listed as the owner or co-owner; it does not include non-Trakehner horses that are ATA-approved for breeding.

Remember that if you own horses through a legal entity such as a partnership, corporation, etc., a copy of the resolution must be on file identifying the principals in that entity, and the voting representative must be identified.

Please review the contact information at the top of this letter and the list of ATA-registered horses below, then return this letter to us with corrections no later than November 1. Return by emailing this image to ata@americantrakehner.com; fax it to 740-344-3225; or return it by U.S. mail or other carrier. Due to the volume of activity this request will generate, we cannot accept update information by phone.

Please complete the table by noting if you still own the horse and any other pertinent information: if it has been gelded, its show name, microchip number, competition organization lifetime number, etc. If you have sold the horse, please provide the buyer's name and contact information so we can encourage them to complete an owner transfer. If the horse is deceased, report when and how it died.

Thank you in advance for your cooperation.

Executive Director
